HIGH PERFORMING

METAL PRODUCTS

Attractive, durable and virtually maintenance-free, the Ply Gem Metal Collection makes it easy to dress up any home or light commercial building. Constructed of premium materials and designed for durability and easy installation, each product in the collection — siding, soffit, fascia, rainware, accessories and trim coil — looks and performs beautifully for years to come.

Little to no maintenance

- Defect-free finish, never needs painting
- Won't chip, crack, flake or blister
- Won't crack or split when bent and shaped
- Cuts clean without burrs
- Applies flat with no buckles, no ripples, no waves and no oil canning
- Less waste and fewer callbacks

Industry leading service and speed

- Four-day order-to-ship to any U.S. location means quick access to the exact colors and products you want
- Experienced and knowledgeable customer service professionals to help you with all your needs

Ply Gem®

75 YEARS

Ply Gem has 75 years of proven performance and reliability. As an industry leader, we are committed to creating high-quality products that perform and look beautiful together. Whether it's siding, windows, roofing or one of Ply Gem's many other exterior choices, homeowners, builders and remodelers can feel confident they have chosen wisely.

MATCH PERFORMANCE **WITH BEAUTY**

Ply Gem offers a vast array of beautiful colors created to coordinate flawlessly across our many lines of siding, accessories and windows. Our colors match most other major brands of metal and vinyl products. With more than 50 siding colors (in widths up to 24”) and over 400 trim coil colors, your exterior possibilities are as endless as they are beautiful.

Refer to a Ply Gem product catalog for a list of color codes and offers. Not all colors may be shown.

Ply Gem®

ALUMINUM SIDING + ACCESSORIES

DURABLE STYLE

Aluminum siding and accessories offer an assortment of woodgrain and smooth styles as well as a selection of up to 10 popular colors designed to stay beautiful over time. And you never have to paint or worry — it's virtually maintenance-free and backed by a limited lifetime transferable warranty.* Installing an attractive exterior has never been easier.

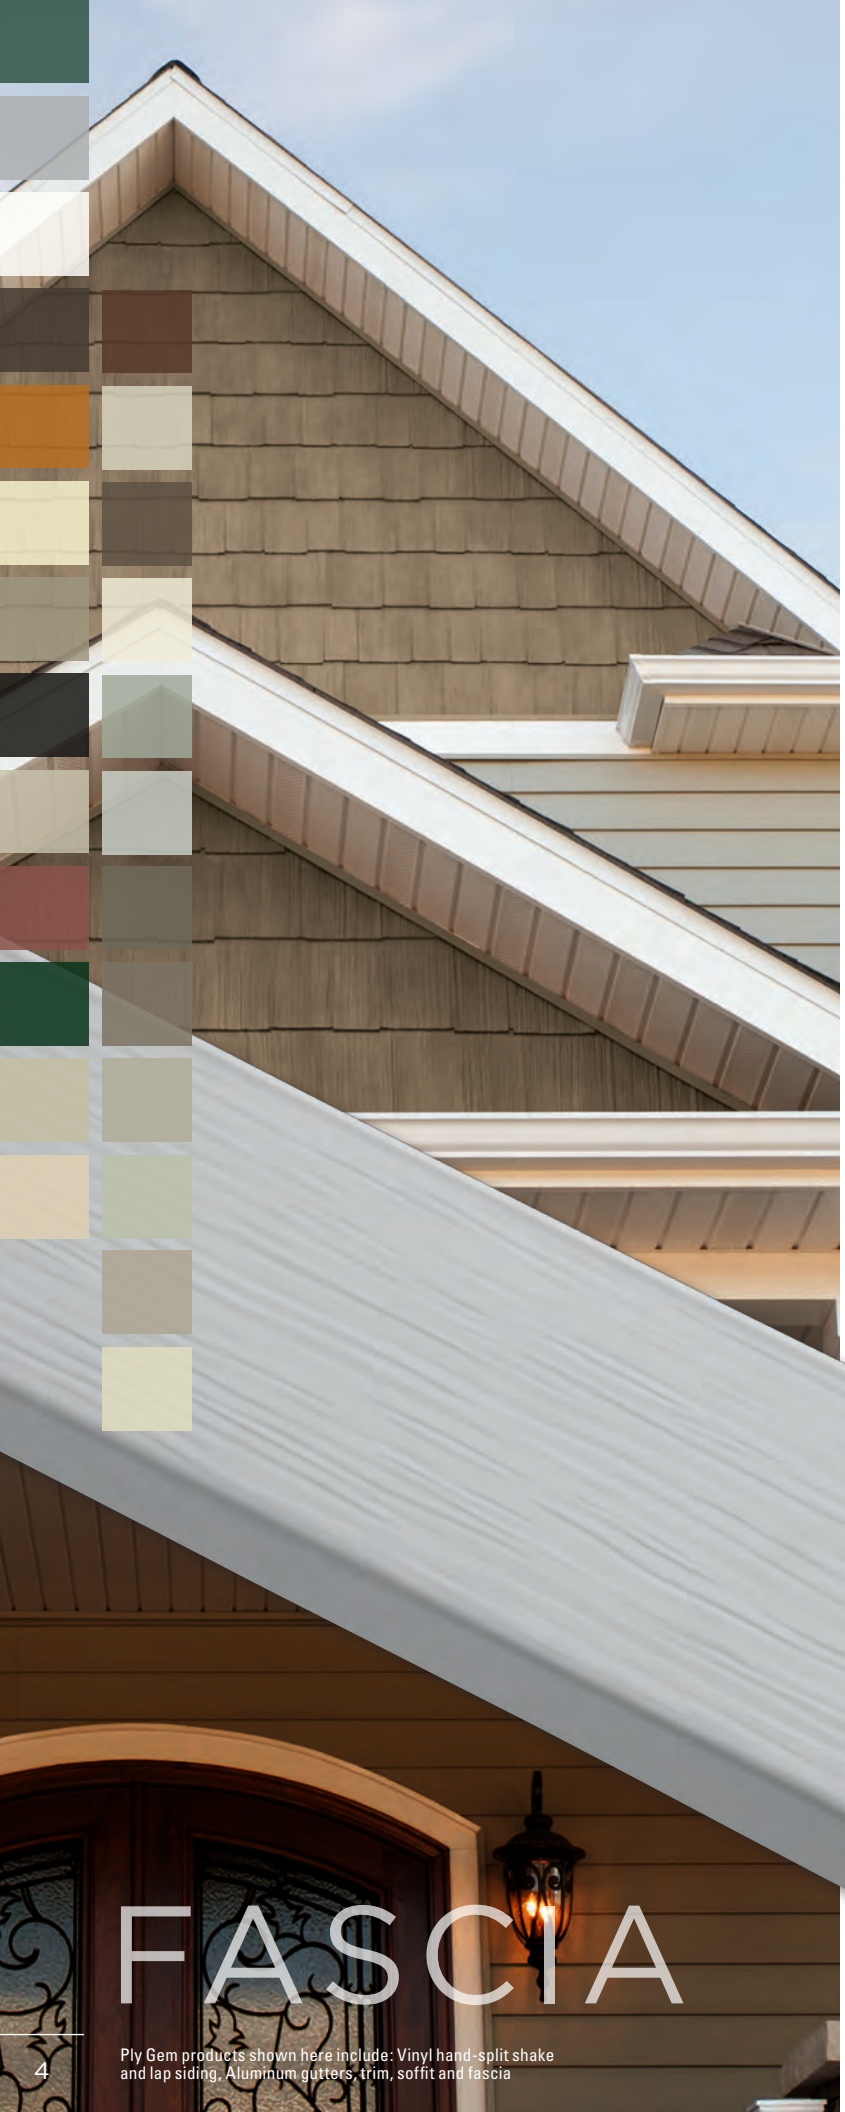
Premium .024" Aluminum Siding

- .024" thickness for durability you can count on
- Two-coat acrylic finish for maintenance-free, long-lasting color retention

Tuff-Built .019" Aluminum Siding

- Available in traditional and distinctive Dutch lap profiles
- Two-coat acrylic finish for maintenance-free, long-lasting color retention

*See complete warranty for details.



FASCIA

Ply Gem products shown here include: Vinyl hand-split shake and lap siding, Aluminum gutters, trim, soffit and fascia

Ply Gem®

ALUMINUM FASCIA

A COMPLEMENTARY FINISH

Our aluminum fascia finishes your soffit with great design and lasting definition. Available in a variety of styles, finishes and colors, it matches and complements any Ply Gem siding.

- Smooth ribbed, PVC or woodgrain embossed finishes
- Twenty-five colors with excellent color retention
- Colors match or complement Ply Gem vinyl and metal products
- Resists chipping and flaking — no need to sand, scrape or paint
- Superior weatherability
- Limited lifetime transferable warranty*

*See complete warranty for details.

Ply Gem®

ALUMINUM SOFFIT

PERFORMANCE AND STYLE

Our aluminum soffit blends dependability and style to protect a home for years to come.

Our aluminum soffit combines the strength of metal and the durability of a painted finish. It improves the health and efficiency of a home with ventilation that keeps attics cool, minimizes heat transfer from the roof in warm weather, and protects against condensation buildup and damaging ice dams in cold temperatures. This enhances a roof's lifespan and lowers heating and cooling costs. Our aluminum soffit also creates clean, sharp lines that replicate the look of a traditional wood soffit.

	Solid	Center Vented	Full Vented
Commercial .019" Soffit Quad 4" (T4)	X	X 9.7 sq/in per sq/ft of ventilation	
Commercial .019" Soffit Triple 4" (T4)	X	X 4.4 sq/in per sq/ft of ventilation	X 13.2 sq/in per sq/ft of ventilation
Commercial .019" Soffit Double 6" (D6)	X	X 11 sq/in per sq/ft of ventilation	
Durabuilt .016" Soffit Triple 4" (T4)	X	X 4.4 sq/in per sq/ft of ventilation	X 13.2 sq/in per sq/ft of ventilation
Durabuilt .016" Soffit Double 6" (D6)	X	X 11 sq/in per sq/ft of ventilation	
.013" Soffit Triple 4" (T4)	X	X 4.4 sq/in per sq/ft of ventilation	X 13.2 sq/in per sq/ft of ventilation

*See complete warranty for details.

Ply Gem products shown here include: Vinyl hand-split shake and lap siding, Aluminum gutters, trim, soffit and fascia and Stone veneer and Vinyl railing

TRIM COIL

Ply Gem®

ALUMINUM TRIM COIL

FLEXIBILITY MEETS FUNCTION

Our trim coil cuts clean, bends sharp and lays flat. It protects homes, creates a finished, clean appearance, and matches virtually every siding and trim product color produced in the industry. Plus, our trim coil is backed by Ply Gem's leading warranties.*

Color and more color

Over 50 in-demand colors in widths up to 24" and over 100 trim coil colors to match most national brands.

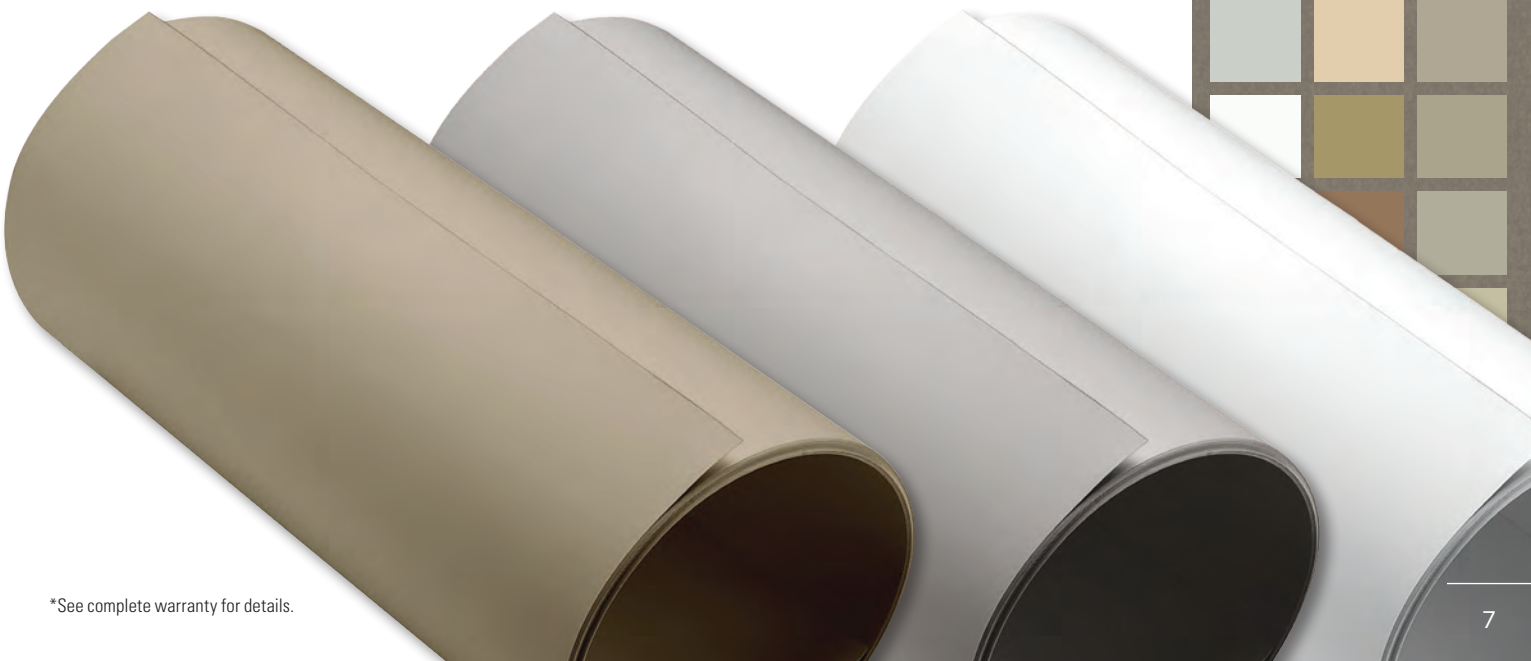
Finish coat options

- Two-coat acrylic smooth finish
- Woodgrain finish
- PVC striated finish
- Textured satin finish

EXPERTLY FINISHED FOR LOW MAINTENANCE

We apply a 2-coat finish to every product. The finish combines a corrosion-inhibiting primer layer with an ultra-low, low-mar topcoat to create a superior finish that resists fading, scrapes and scratches.

- Excellent stain and dirt resistance
- Two coats means better corrosion protection and superior weatherability
- Mar-resistant formulation reduces clean up
- Increased resistance to chalking
- Excellent color retention over many years
- Improved coating adhesion



*See complete warranty for details.

RAINWARE

Ply Gem®

ALUMINUM RAINWARE

A BEAUTIFULLY DEFENSIVE SOLUTION

Aluminum rainware products systematically provide years of lasting protection. You'll find a complete line of superior quality gutter and downspout coil, elbows, corners, end caps, drip edge and gutter accessories to eliminate damaging leaks, sitting water and overflows.

Versatile

- Available in a variety of stylish colors that match or coordinate with Ply Gem vinyl and metal products
- All components are available in 5" and 6" profiles to create a highly-efficient water removal system

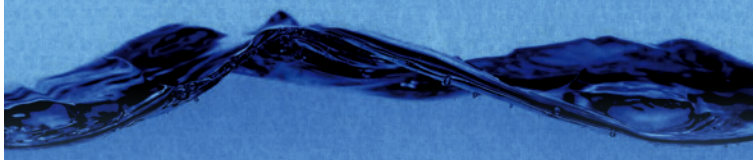
Seamless

- Gutter coil finishes any standard home with an attractive, smooth and seamless appearance
- Gutter coil comes in .027" and .032" thicknesses and downspout coil is available in .019" thickness

Reliable

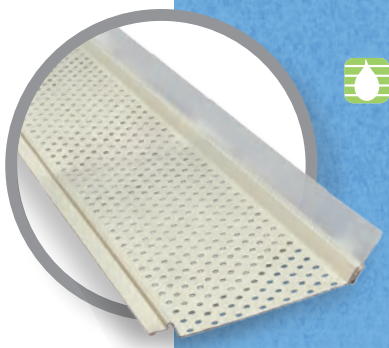
- Our rainware and accessories are all covered by a 20-year limited lifetime transferable warranty*

*See complete warranty for details.



GUTTER PROTECTION SYSTEMS

Essential to the health of any home, our gutter protection products keep out leaves and debris so gutters function properly. All gutter systems are backed by industry-leading warranties.*

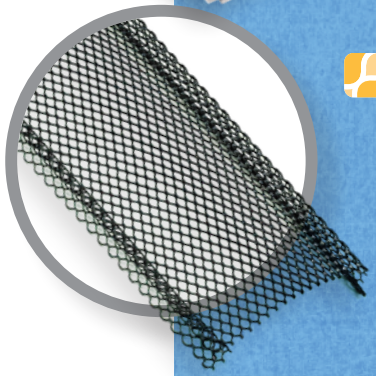


LEAF RELIEF® by Ply Gem

Leaf Relief is our most popular leaf protection product with over 100 million feet installed. Backed by Ply Gem's 25-year warranty*

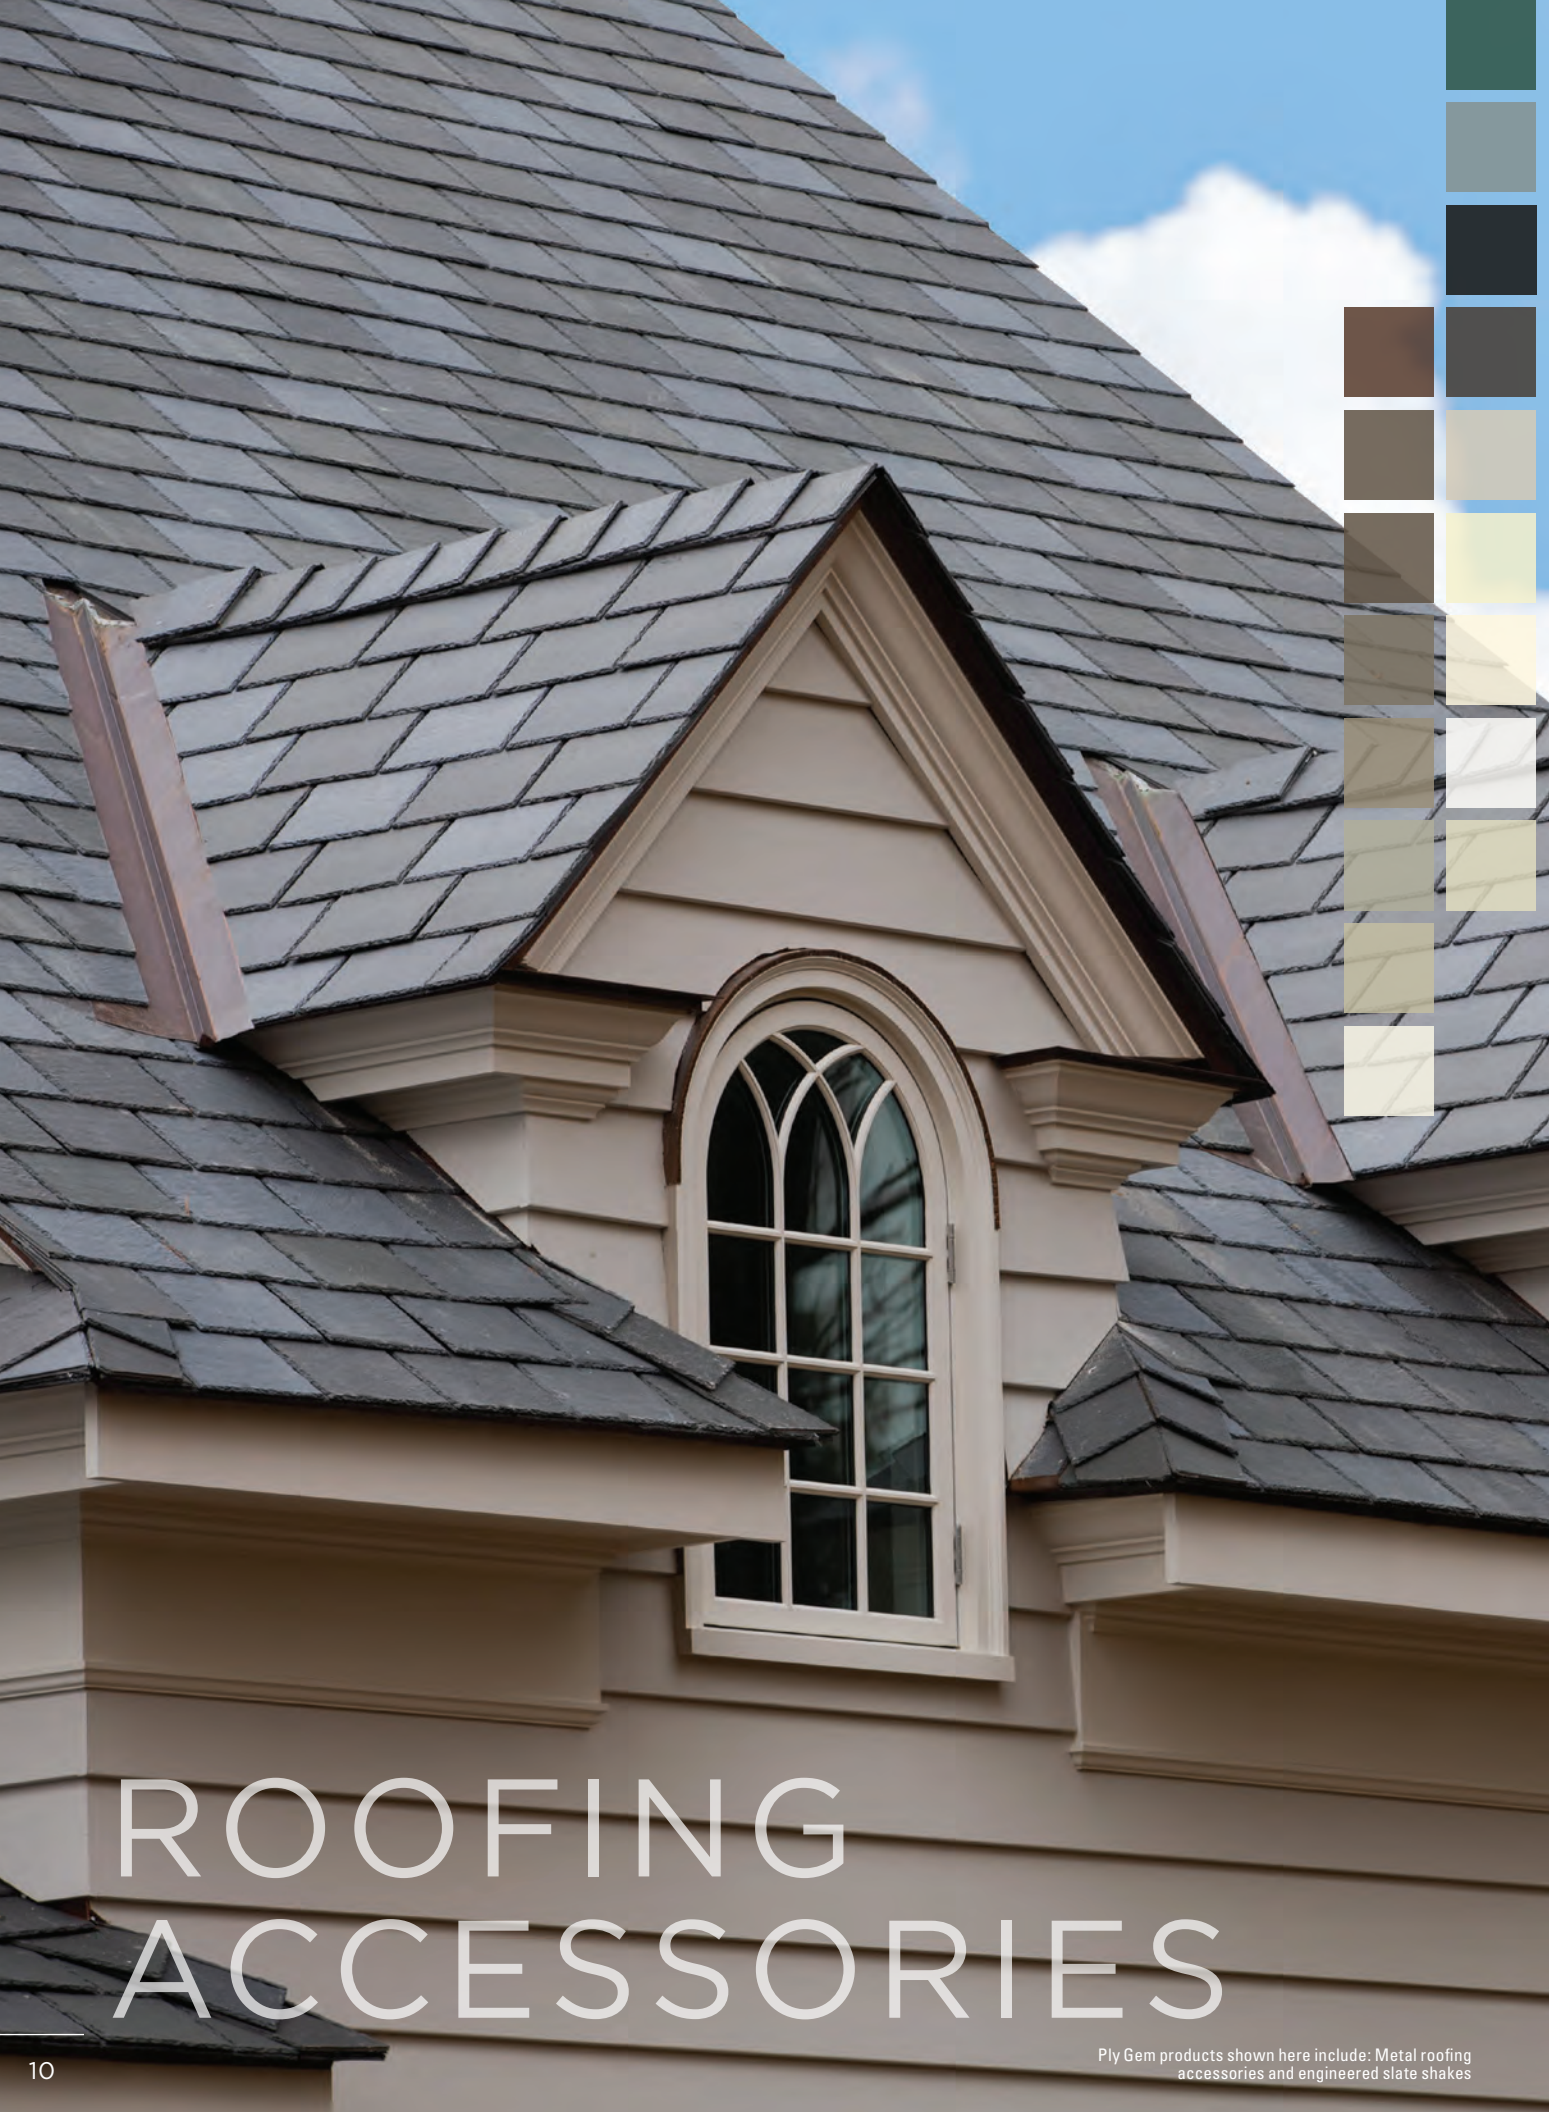
LEAF LOGIC™ by Ply Gem

Leaf Logic uses a unique ripple design to stop wet leaves from sticking and keep gutters clear. Leaf Logic is backed by Ply Gem's 20-year warranty.*



LEAF SMART™ by Ply Gem

Leaf Smart keeps gutters flowing smoothly with an arch design that prevents leaf buildup. Leaf Smart is backed by Ply Gem's 5-year material warranty.*



ROOFING ACCESSORIES

Ply Gem products shown here include: Metal roofing accessories and engineered slate shakes

Ply Gem®

ROOFING ACCESSORIES

A COMPREHENSIVE COLLECTION

You'll find all the roofing accessories you need in one, convenient place. Available in colors that match our fascia and rainware, these products are backed by our limited lifetime warranty.*

T-Drip Edge | 13 PROFILES
Reinforced for added strength and durability, use this traditional drip edge to repel water from rooftops.

F-Drip | 8 PROFILES
An affordable option for directing water off the rooftop with the longest return and drop of 2".

C-DRIP | 6 PROFILES
Installs easily over the first layer of shingles on the gable ends for a refined, polished look.

Square Drip | 3 PROFILES
Use on a tile roof, at the gutter line or with flat roof applications to direct rainwater away from fascia.

Gutter Apron | 2 PROFILES
Installs easily over the roof edge and extends into the gutter, forcing water into the gutter system.

Quick Drip
Easily installs over existing drip edges for a quick makeover of existing drip edges in remodel applications.

Gravel Stop
Stop gravel from falling off the roof by placing this metal piece on the roof's edge.

Flat Flashing Squares | 8 PROFILES
For general purpose use, apply where shingles come together with a dormer, wall or chimney to protect against water infiltration. Hand bending may be required.

Pre-Bent Flashing Squares | 8 PROFILES
For general purpose use, apply where shingles come together with a dormer, wall or chimney to protect against water infiltration. Hand bending may be required.

W-Valley | 13 PROFILES
W-valleys keep water from sitting on shingles and causing wear by forcing water away from shingles and into gutters.

Roll Valley | 36 PROFILES
Easy to cut and shape, use roll valleys to direct the flow of water where two roof slopes meet or as an extra-wide eave flashing at the edge of a roof.

*See complete warranty for details.

STEEL SIDING COLLECTION

Ply Gem products shown here include: Clad-wood windows, steel siding, and cellular PVC trim

Ply Gem®

STEEL SIDING COLLECTION

Steel siding is a low maintenance, stylish and durable choice that's backed by our limited lifetime warranty.*

Unbeatable strength

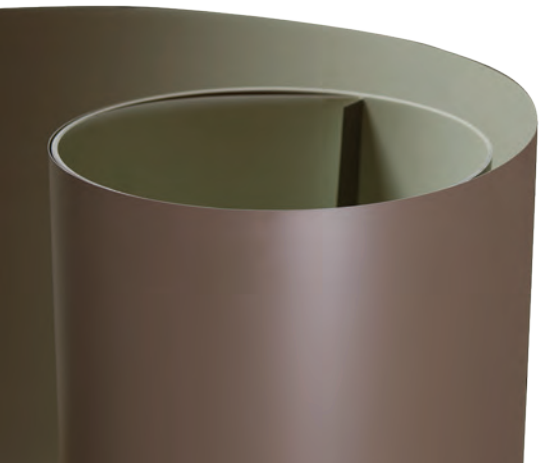
- Fade, fire and impact resistant
- Ideal in extreme weather conditions
- Backed by an industry leading warranty*
  50 years against hail
  35 years against chalk and fade

Exceptional beauty

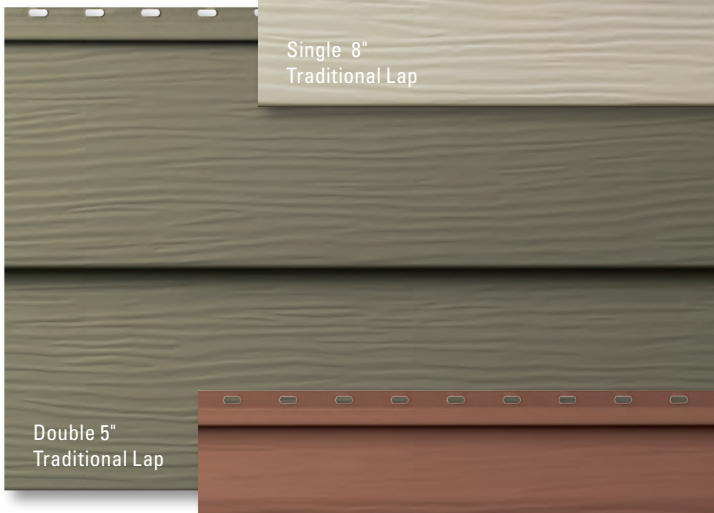
- Available in a broad array of designer colors with matching rainware and accessories
- Superior texture and color retention with an innovative silicon-modified polyester coating and woodgrain pattern
- Choose from seamless coil, 10" board & batten, 5" Dutch lap or single 8", double 4" or double 5" traditional lap.

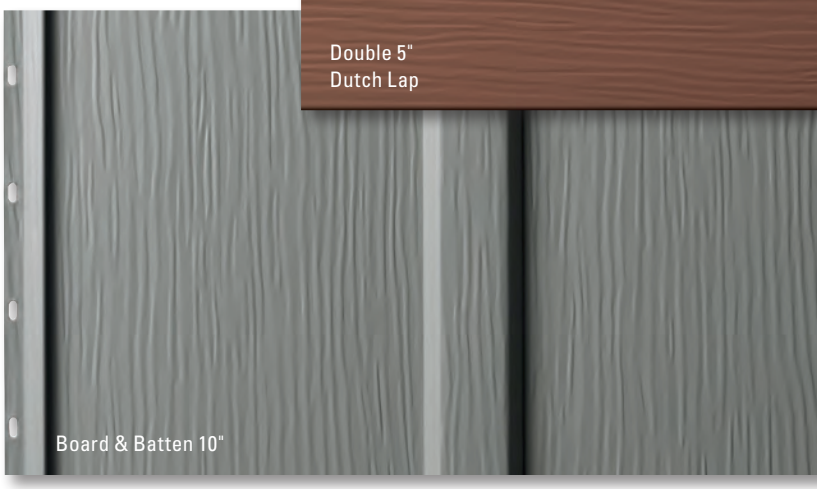
Finish flawlessly

Ply Gem's perfectly color-matched steel trim, corners, fascia and accessories allow you to achieve the curb appeal you desire with the durability you count on. Available in smooth or a woodgrain emboss.



Also available in seamless coil.





*See complete warranty for details.
